RE: CARRIER COLLIERVILLE SITE

Dear Mr. Zaprowski:

This letter confirms our August 26, 1992 telephone conversation concerning a time extension for payment of the 1991 oversight costs.

Due to vacation time and questions concerning the invoice, we will not be able to process payment within the time provided. We request a time extension to October 15, 1992, which you indicated would not be a problem.

If you have any questions, please call me at (818) 964-1211 ext. 752.
